

JudE - Chart Helper

JudE Objective: Improve the care experience, care responsiveness, and care peace of mind -- for patients, caregivers, facilities, and family members -- **by leveraging modern and mobile technology to improve the notification, workflow, and resolution of patient, caregiver and facility requests.**

Chart Helper

- Available under Caregiver Tools on the Room Kiosk

Chart Helper

Basic Steps

- Caregiver presses “Chart Helper” icon from the Room Kiosk, and the Caregiver “Signs In”
 - All Caregivers will be assigned a unique ID & Passcode
- The Chart Helper screen will guide the Caregiver through capturing relevant information.
- Touch the “OK” button to generate a Chart Log for the room
 - Chart Log: A summary read-out of everything that happens in a patient’s room during a day
 - The Chart Log is accessed by pressing “Room Log” under Caregiver Tools on the Room Kiosk
 - The Chart Log can also be viewed at the Nurses Station/Central Monitor by pressing the “Go To Charts” button
- A summary of all Logs can be viewed by the Room Kiosk and the Nurses Station/Central Monitor
