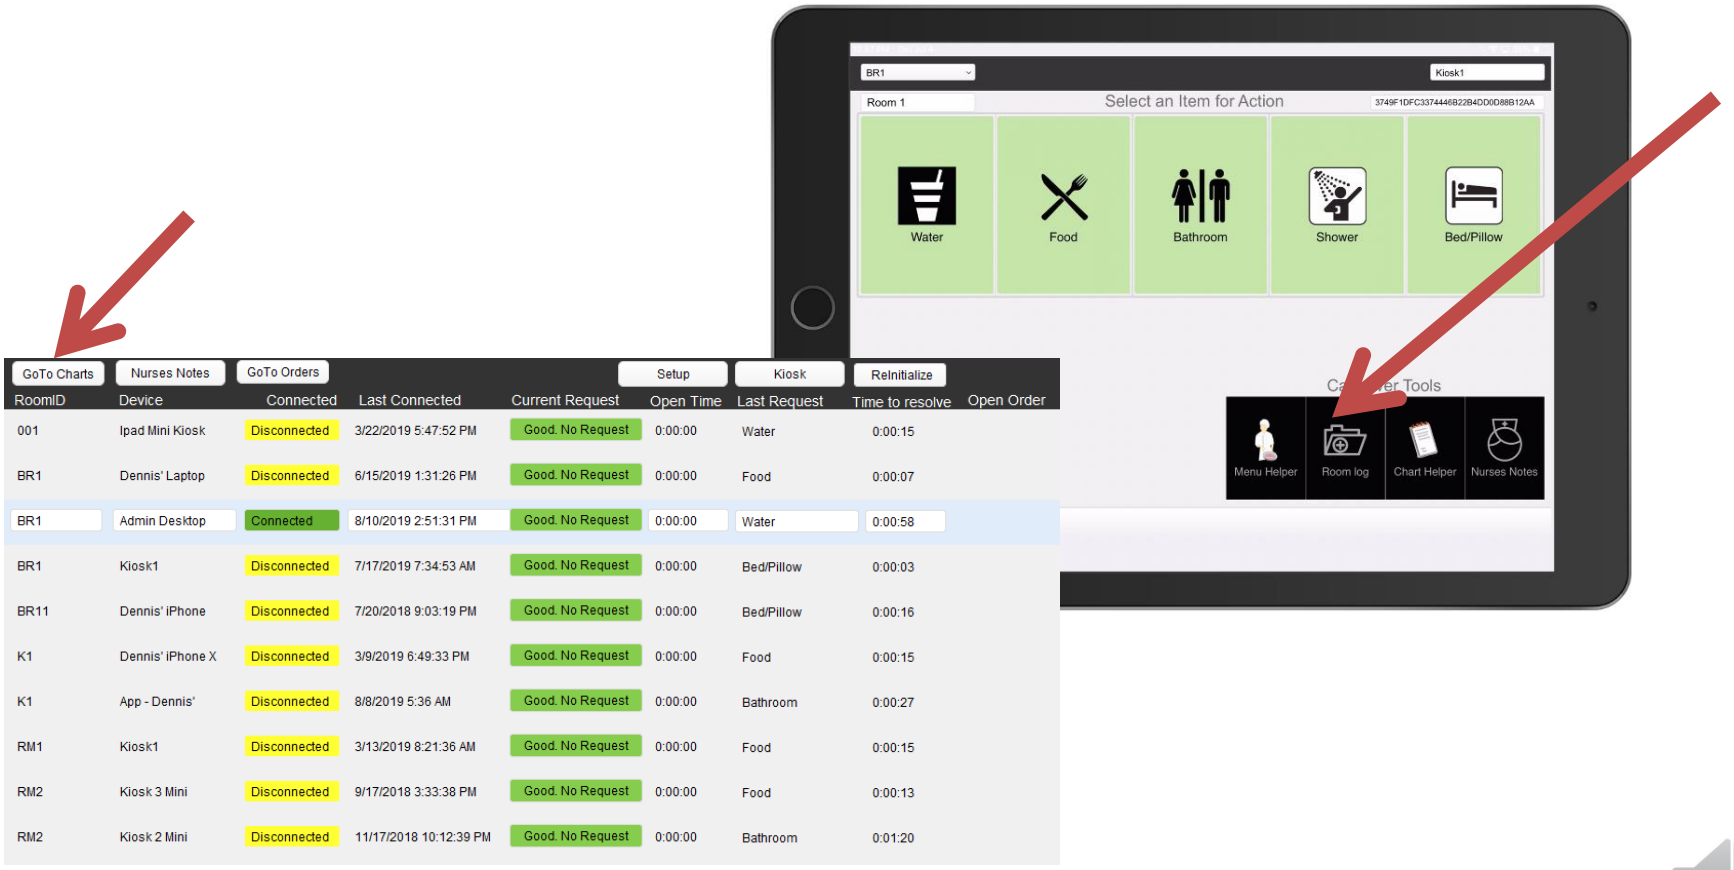
JudE – Room Log

JudE Objective: Improve the care experience, care responsiveness, and care peace of mind -- for patients, caregivers, facilities, and family members -- ***by leveraging modern and mobile technology to improve the notification, workflow, and resolution of patient, caregiver and facility requests.***

Room Log

- Available under Caregiver Tools on the Room Kiosk
- Also available by pressing the “Go To Charts” button from the Nurses Station/Central Monitor



Room Log

Basic Steps

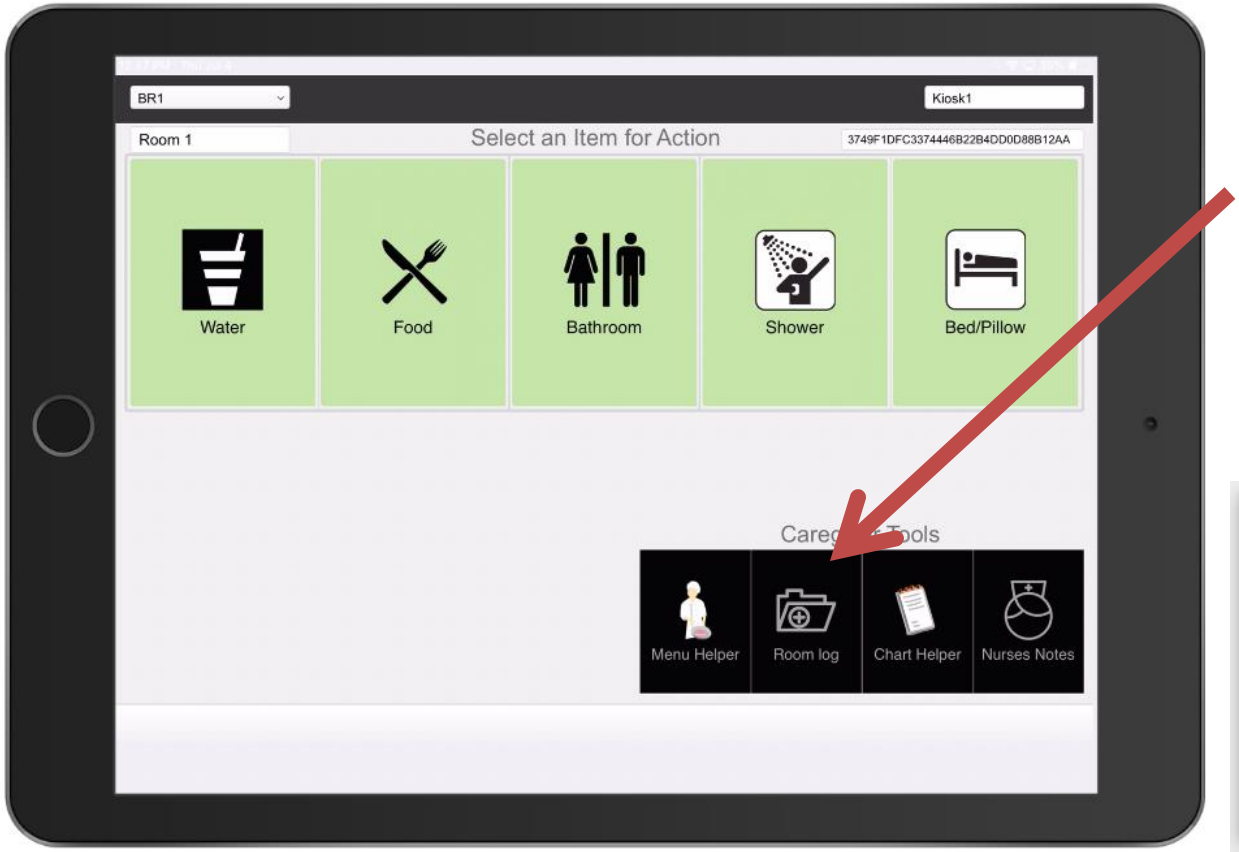
Room Kiosk

- Caregiver presses the “Room Log” icon from the Room Kiosk
- Caregiver “Signs In”
  - All Caregivers will be assigned a unique ID & Passcode
- A summary of all logs can be viewed for that Room

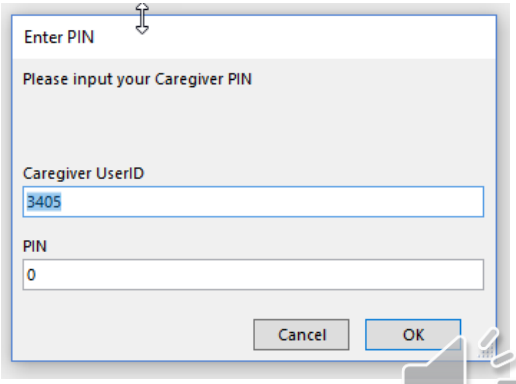
Nurses Station/Central Monitor

- Caregiver presses the “Go To Charts” button from the Nurses Station /Central Monitor
- A Chart Log is grouped by room, and provides a summary of all the logs for each room
  - The Log can be filtered to view just One Room if desired
  - The Chart Log can be printed or exported

Room Log - Kiosk



- Start here
- Must log in with Caregivers unique ID and Pass Code



Room Log - Kiosk

- The Chart Log for the room
